SPONSORSHIP PROPOSAL

Dear Industry Colleagues,

ECS Club promotes global awareness of the advantages of endoscopic cardiac surgery to patients, surgeons, and industry partners. One of our main goals is to expand the adoption of endoscopic techniques in cardiac surgery, while safeguarding patient safety, and drive improvements in short and long-term outcomes for patients undergoing endoscopic cardiac surgery. We are convinced that the use of the endoscope improves surgical performance, minimizes invasiveness, and improves patient outcomes.

Industry partners and technical exhibits are an essential part of our meetings' success. Our 300 plus attendees will be eager to learn about your company's products and services that can assist them in improved care for their cardiac patients.

Thank you for your consideration of our request for participation, we look forward to receiving your commitment. If you have any questions, please contact Tyler Gillespie, tgillespie@veritasamc.com or 847-920-6573.

Kind regards,

Patrick Perier, MD

Mario Castillo-Sang, MD
